|--|-------------------------------------|--|
| 310,000 +
senior talents in electronic information | 24
alumni of academicians | 70 +
founders of well-known listed companies |
|--|-------------------------------------|--|

In Xidian, fearlessly going after your dreams to create your own unique future;
In Xidian, learning, moving forward and growing with like-minded friends;
In Xidian, striding toward the hope attentively with every step.

Xidian University is expecting you in 2022!

Inter-University Exchange Program

To promote the international exchange and in-depth cooperation of partner universities and colleges, we have signed international exchange agreement with other countries and accepted students to come to our university for exchange courses of one semester or one year. For course study, students who pass the course examinations will receive credits from Xidian University recognized by their home countries; for postgraduate research exchange, students will receive a research exchange certificate from the relevant research team of Xidian University.

1. Professional courses.

The professional programs that inter-campus exchange students can choose to study are as follows:

S/N	Specialty Name	Teaching Language	Program type
1	Business Administration	English	Bachelor
2	International Chinese Education	English	Bachelor
3	Business Administration	English	Master
4	Information and Communication Engineering	English	Master/PhD
5	Electronic Science and Technology	English	Master/PhD
6	Control Science and Engineering	English	Master/PhD
7	Computer Science and Technology	English	Master/PhD
8	Mechanical Engineering	English	Master/PhD
9	Physics	English	Master/PhD
10	Optical Engineering	English	Master/PhD
11	Cyberspace Security	English	Master/PhD
12	Management Science and Engineering	English	PhD

2. Scientific research exchange.

For master exchange students who intend to conduct scientific research exchange, if they have a designated supervisor, please contact the intended supervisor in advance to obtain the Letter of Acceptance of Supervisor for International Students of Xidian University (Annex 1). If you do not have a designated supervisor, you can upload the direction and plan of scientific research exchange in your application, and we will match you intramural supervisor for you.

Application Period

Fall semester:

December 30, 2021 - June 15, 2022

Admissions results announced: early July 2022

Spring semester:

October 30, 2022 - December 15, 2022

Admissions results announced: early January 2023

Application Qualification

- Applicants should be non-Chinese; for those who were Chinese citizens and then became foreign nationals, Xidian University implements *Notice of the Ministry of Education of the People's Republic of China on Regulating the Work of Accepting International Students in Chinese Colleges and Universities*. Please visit http://www.gov.cn/zhengce/zhengceku/2020-06/10/content_5518369.htm.
- Applicant should be in good physical and mental health (no infectious diseases, no physical or mental diseases affecting normal learning), abide by Chinese laws and regulations as well as school regulations and rules of Xidian University, and respect China's social morality and customs.
- Language proficiency: Applicants for English taught programs must have English proficiency of IELTS 6.5 or above, or TOEFL 80 or above, or Duolingo 105 or above; Applicants from English speaking countries can apply for exemption from providing relevant English scores.

Application Documents

1. **Scanned copy of the original certificate of enrollment issued by the institution where you are currently enrolled.**
2. **Scanned copies of original transcripts of all courses already taken at the current stage of education.**
3. **Scanned copy of valid passport information page (valid for at least 2 years).**
4. **Proof of English language proficiency.**
5. **Applicants who choose the postgraduate research exchange must provide the Letter of Acceptance from International Student Supervisor of Xidian University (Annex 1) or the research exchange plan.**
6. **Record of physical examination for foreigners (Annex 3).**

Valid for 6 months from the date of issue.

7. **Certificate of Non-criminal Record.**

The content of the certificate must indicate the validity period, or if there is no validity period, it will be valid for 6 months from the date of issue; graduating students in China can submit the certificate of school performance. If you are unable to provide the certificate of no criminal record for the time being due to various special circumstances, please fill out the *No-criminal Commitment* (Annex 4).

Admission Process

Step 1- Completing online application

1. "International student application system" is the only effective application platform. Applicants should log in to the system for registration, fill in application information and upload application documents. The application system link can be accessed by <http://xdgjxs.xidian.edu.cn/internationalEducationStudent/2022/9>.
2. Applicants shall accurately fill in their contact emails, mobile numbers and mailing addresses, the admission office will send all application results and notices through the emails. During the admission period, applicants must reply to our emails in time, those who fail to reply to the emails in time or fail to submit supplementary documents within the specified time will be deemed to have given up.

Step 2 - Review and admission

1. Xidian University evaluates the comprehensive qualities of applicants through reviewing application documents, evaluating by academic schools and other steps. Anyone who perform good enough can be admitted.
2. Applicants shall pay attention to the review statuses from the application system and personal emails in time to supplement relevant information or documents according to the feedback.

Step 3 - Mailing the admission documents

After admission, Xidian University will mail Admission Notice and Visa Application for Study in China (JW201/JW202) to students themselves based on the filled addresses in the system at the time of application.

* Notes:

1. All the Annex in this admission guide can be downloaded from: <https://sie.xidian.edu.cn/info/1290/2271.htm>.
2. All the above application documents shall be in Chinese or English, non-Chinese and non-English texts shall be accompanied by notarized English or Chinese translation.
3. Hard copy of application documents are not required. The admission teams of our University and departments have the right to require the applicants to provide the originals in writing of the application or the certification documents issued by designated certification authorities for further inspection.
4. The originals of all documents provided by the applicants shall be uploaded after color scanning by the scanners, and picture documents taken by mobile phones or cameras are not accepted, neither do copies.
5. The application will not be accepted for applicants with incomplete application documents.
6. Applicants must ensure that the filled application contents and the uploaded attachments are true and valid. Anyone who is dishonest will be disqualified from applying to Xidian University permanently.

Enrollment and Registration

1. The admitted students must register with entry study (X1) visas. The University will not allow the registration for those with other types of visas. The specific requirements for applying for entry study (X1) visa documents shall be subject to the list of visa application requirements provided by Chinese embassies and consulates abroad.
2. The autumn registration time is usually from the end of August to the beginning of September, and the admitted students must register in strict accordance with the time, place and requirements specified in *Admission Notice*. Those who fail to handle registration procedures more than two weeks after the specified registration time will be disqualified from enrollment and scholarships.
3. Documents needed for registration include: ordinary passports of the students, admission notices, JW202/201, physical examination records.
