NCHU

International Sounds

Project

Introduction of Hand Together Project

- ✓ “NCHU International Sounds ” is a **bilingual exchange project** for the scholarship recipients.
- ✓ MOE of Taiwan will encourage the recipients to give cultural lessons in English to Taiwanese schoolchildren or secondary school students.

↑ NCHU international students sharing their cultures with students of a elementary school

- ✓ NCHU will assign Taiwanese students to assist the scholarship recipients interact with children
- ✓ NCHU will invite elementary school teachers to prepare lesson plans and provide teaching guidance for the scholarship recipients.
- ✓ NCHU will also provide assistance with teaching materials and support for student teaching activities.

Partner School - Du-Xing elementary School

Du-Xing Elementary School is a public elementary school located in the North District of Taichung City.

It is known for its dance education program in the city.

In recent years, the school has been committed to the development of bilingual education, facilitating interaction between local students and international students.

It has also collaborated with the International Affairs Office of NCHU to organize various English exchange activities.
